Dear Sir:

On May 4, 2007, applicants' attorneys submitted a Request to Correct Inventorship (with authorization to charge our deposit account for the fee), a Statement Pursuant to 37 C.F.R. 1.48(a)(2), and a Declaration and Assent of Assignee in connection with the above-identified application (now U.S. Patent No. 7,548,607). The Request to Correct Inventorship added a previously unnamed person (Carolina Ribbing) as an inventor.

The documents were received in the PTO on May 4, 2007, as evidenced by the enclosed copy of the return postcard (Exhibit A). Also enclosed are photocopies of the documents (Exhibit B).

It has now been determined that the PTO did not act on such Request, and the patent that issued omitted the added inventors.

It is therefore respectfully requested that the PTO grant the previously submitted Request to Correct Inventorship and issue a Certificate of Correction to identify CAROLINA RIBBING as an inventor. A Certificate of Correction is submitted with the present Communication.

Dated: November 19, 2009

Respectfully submitted,
